# THE PURPOSE

## *Disciple-Making Definition*

ALLEN HADIDIAN:

"Discipling others is the process by which a Christian with a life worth emulating commits himself for an extended period of time to a few individuals who have been won to Christ, the purpose being to aid and guide their growth to maturity and to equip them to reproduce into a third spiritual generation."

# THE PURPOSE

## SEMINAR DESCRIPTION:

“The ultimate purpose of discipleship is to turn our disciples into disciple making reproducers who multiply their life into third and fourth generations. The problem is, most of us either stop after someone makes a profession of faith or some of us will even help someone learn how to study the Bible and pray but few of us actually help someone get to the point where they are able to multiply their life into another individual. Come to this seminar to learn disciple-making principles that will help us reach the world through multiplying movements of disciple-making reproducers.”

# THE PROBLEM

#CONYC14

# THE PROBLEM

## *Disciple-Making Definition*

### THE PROBLEM IS...

Most disciple-makers do not fulfill the purpose of discipleship

- The maturity of the disciple is overlooked (Col. 1:28-29)
- The process of equipping (2 Tim. 2:2) them to reproduce into a third spiritual generation is never begun.

# THE PROBLEM

WHY DOES THIS PROBLEM EXIST?

We get excited about the wrong things

We trust in the wrong things

# THE PROBLEM

## *Disciple-Making Quotes*

**ROBERT COLEMAN:**

"Here is where we must begin just like Jesus. It will be slow, tedious, painful, and probably unnoticed by men at first, but the end result will be glorious, even if we don't live to see it. Seen this way, though, it becomes a big decision in the ministry. One must decide where he wants his ministry to count — in the momentary applause of popular recognition or in the *reproduction of his life in a few chosen men who will carry on his work after he is gone. Really it is a question of which generation we are living for.*"

# THE PROBLEM

## *Disciple-Making Quotes*

### ROBERT COLEMAN:

"Jesus devoted most of His remaining life on earth to these few disciples. He literally *staked His whole ministry upon them*....

Why? Why did Jesus deliberately concentrate His life upon comparatively so few people? Had he not come to save the world?

The answer to this question focuses at once the real purpose of His plan for evangelism. Jesus was not trying to impress the crowd, but to usher in a Kingdom. This meant that He needed men who could lead the multitudes. What good would it have been for His ultimate objective to arouse the masses to follow Him if these people had no subsequent supervision nor instruction in the Way?"
