"The Basics" Series

Fellowship, Baptism, and the Church

"The Basics" Series

Bonding together with other believers is one of the most important things you can do to keep growing in your faith and witness. To isolate yourself is like taking a burning log out of the roaring fire and tossing it out on its own. Before long the flame will disappear, it will start to smolder and smoke, and will finally become totally extinguished. Committing yourself to other Christians who are walking with God will help keep you walking with God for the long haul. Find a good church that preaches the Word of God and plug in to learn, serve and grow. If you haven't been baptized, do it. Jesus was baptized and tells us to do so as well. It doesn't save you, but is a powerful outward sign to the whole world of an inward commitment you have made to Christ. Look up these passages and see how the Lord wants to work in your life.

Fellowship with other Christians

The church is the only fellowship in the world where the one requirement for membership is the unworthiness of the candidate.

Biblical Fellowship

1. Read 1 John 1:3
 - a. What was the author's purpose for proclaiming what he had seen and heard?
 - b. With whom did he have fellowship?
2. Fellowship is derived from the Greek word "koinonia," which means common. As you examine the verses below, determine what you can share with others.
 - 1 Peter 1:22
 - Galatians 6:2
 - Galatians 6:6

3. In the first century church in Acts 2:44-47 you can see fellowship at its best.
 - a. What were they devoting themselves to?
 - b. All those who had believed were together and had all things in common (v. 44). What specifically did they have in common?
 - c. What was the result of that kind of fellowship?

The Purpose of Fellowship

1. Study Hebrews 10:24-25.
 - a. As Christians, what are we to take time to “stimulate each other” to?
 - b. How can you do this to Christians around you?
 - c. What is your responsibility to the body of believers at your church?
2. Examine Hebrews 3:13
 - a. How often should Christians encourage one another?
 - b. Why is that so important?
