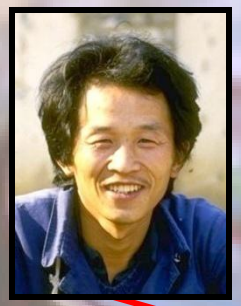
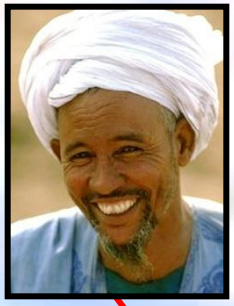
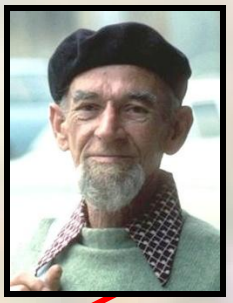
REACHING STUDENTS
TO REACH THE
NATIONS

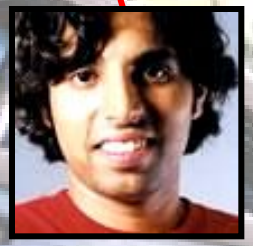


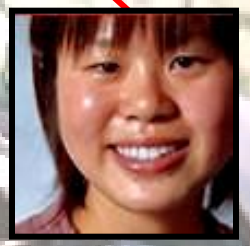


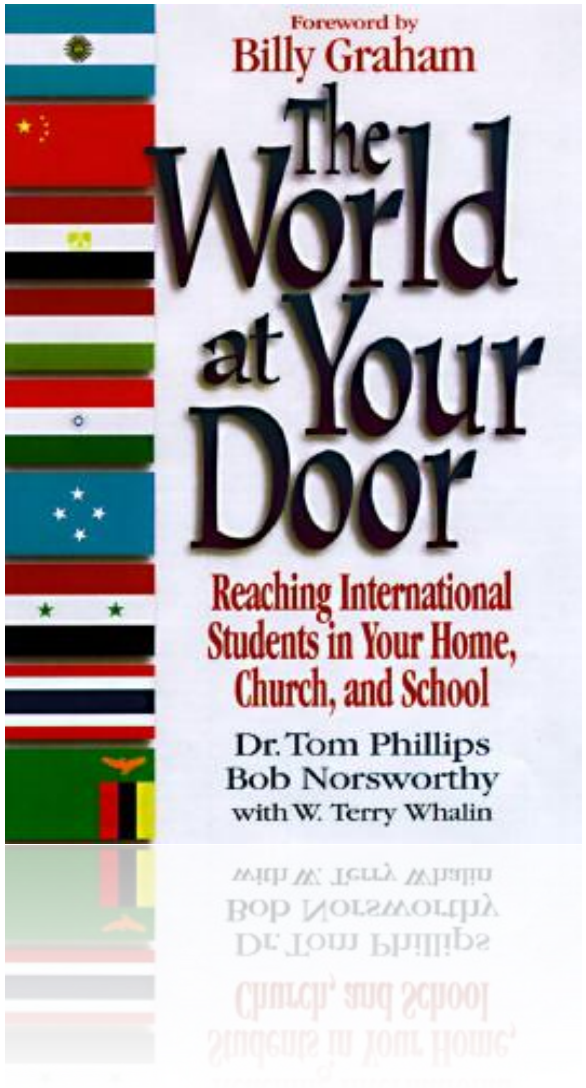


THE GREAT COMMISSION – Matthew 28:19-20

"Therefore go make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."







Dr. Tom Philips,
"Statistics show that over the last **100 years**
less than half of ONE PERCENT of American
and Canadian Christians have actually
participated in international missions
and gone out to work OVERSEAS."

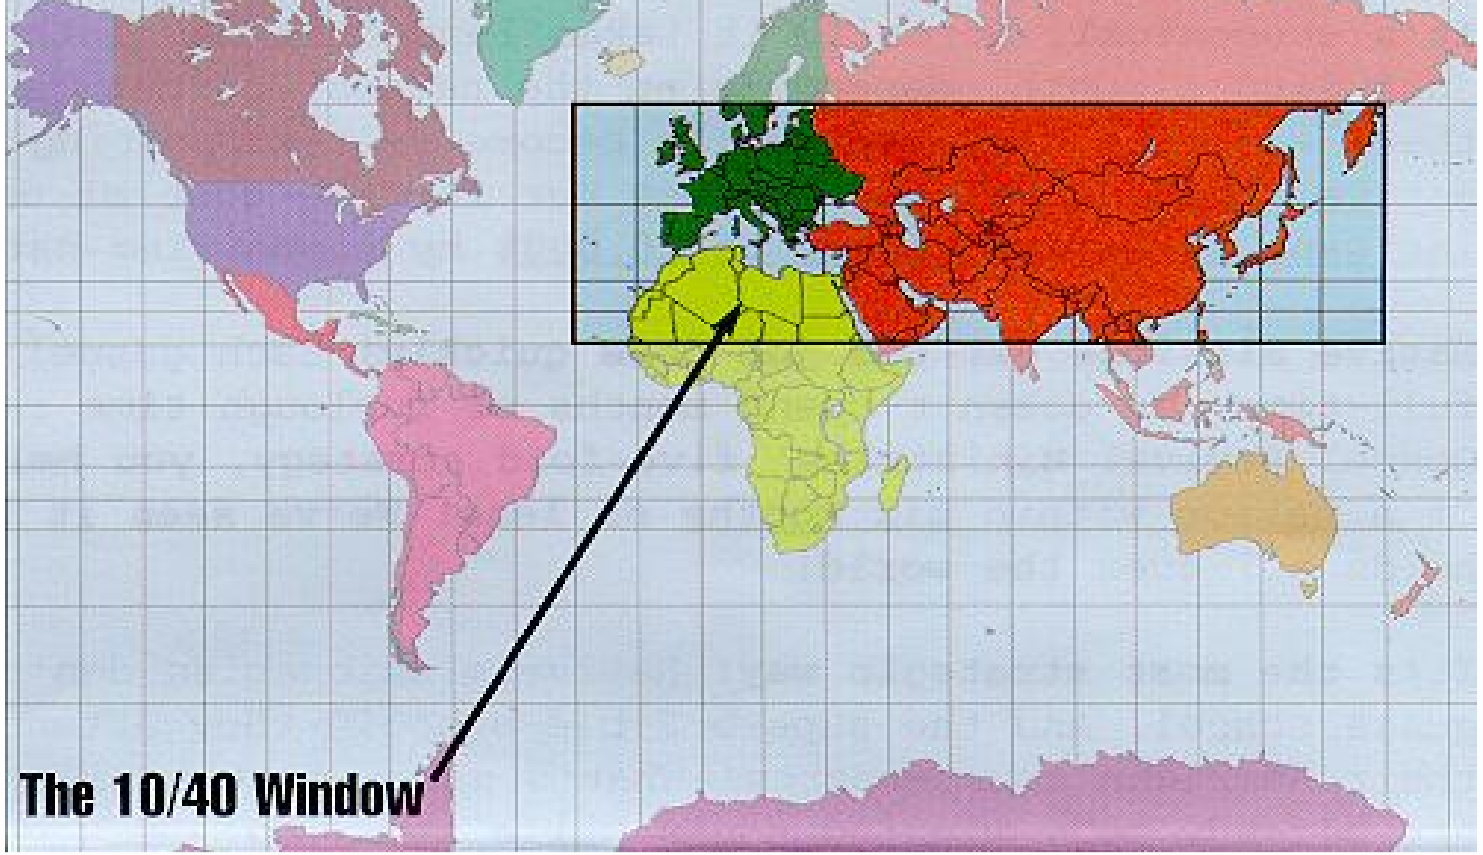
We Need a Paradigm Shift in our Missions Mentality

The Traditional Approach to Missions:

We go to them.

The University Approach to Missions:

They come to us.



Dr. Tom Phillips says, "It is perhaps the *most practical* and strategic way for the average American to have a long-term impact on the **unreached people** of our world. Few American Christians will go to live in the 10/40 window countries, yet the majority of these Americans **live within a few minutes of a student** from the 10/40 window."
