

The Fuel and The Flame Story Requests

Below are some of the types of stories we hope to include in the new edition. Please submit stories through the survey or by email to publishing@mobilization.org by April 15, 2019.

Vision:

- Students who gave up self-focused lives/ambitions/success to labor for Christ in college
- Students who adopted a missionary mindset during college
- Students who caught and implemented a multiplication vision during college

Foundation:

- Students who sacrificed grades, relationships, other activities to become a disciple
- Students whose lives were transformed when they made Christ lord
- Students who had an extraordinary passion or commitment to:
 - Prayer
 - Time in the Word
 - Scripture Memory
 - Worship
 - Servanthood
 - Holiness
 - Personal Discipline
 - Teachability
- Examples of contagious community drawing non christian students
- Examples of students facing persecution for their faith (US and International)
- Negative examples of potential laborers being overcome by:
 - Pride
 - Immorality
 - fear/anxiety
 - Dating foolishly
 - Bitterness

Evangelism:

- Students with a passion for interceding for the lost
- Students who came to faith after a relational evangelism process
- Students who came to faith through “random” evangelism or gospel appointments
- Reluctant students who gained a heart for evangelism after stepping out in obedience to share

Establishing:

- Students who led others to Christ and followed up well
- Students who came to faith but fell away because they were not followed up well
- Students who modeled intentional/ relational 1-1 discipleship with other students
- Students who used the reproducible method used to disciple them to disciple others
- Examples and impact of successful student led discipleship groups

Equipping:

- Examples of students who demonstrated F.A.I.T.H.
- Students who equipped other students by ministering with them
- Students who led other students on a ministry team
- Examples of student involvement in multiplying campus-wide movements

Exporting:

- Campuses that have launched multiple students to the unreached
- Students who became World Christians during college
- Students who overcame obstacles to going:
 - Family opposition
 - Fear of support raising
 - Financial barriers (student debt)
 - Fear of giving up security or chance of marriage
- Stories of people who labored as students and continue to make disciples after college
