Leadership Training Objectives

Created by // Steve Shadrach

This tool is a self-assessment that will help evaluate how equipped the Christian laborer is in 100+ key areas of Knowledge, Skills, Character, and Vision.

Use this tool by going through the lists of training objectives and honestly rating yourself on whether you:

- Need help getting started in this objective
- Are already growing in this objective
- Are established and feel personally competent in this objective
- Are equipped and able to teach or train others in this objective

Mark at least one objective from each of the four major categories that you want to be equipped in the next six months.
