# The Lordship of Christ

---

## "The Basics" Series

All of us have a choice. Every single day. Do I take control of my life today or do I turn over the control to Jesus? For me it can be a moment by moment decision as to whether I will put "self" on the throne of my heart or put Christ there. Will I build up my kingdom today or will I seek to build up His Kingdom? My glory or His? Here is a biblical study to help you wrestle through who should be running your life. I will give you a hint. Jesus does a much better job than you or I ever could. Today is the day to humble yourself before the Lord of Lords and allow Him to be who He really is in your life.

### I. What is the Lordship of Christ?

List some synonyms for the word LORD.

### II. Why should we allow Christ to be Lord?

1. Colossians 1:15-16
2. Philippians 3:7-11
3. Luke 6:46-49

### III. Thought question

In your life, what would be the most difficult thing about letting Christ be Lord of every area?

### IV. How to make Christ Lord?

1. **Sincerely** desire to give Him control
2. **Identify** any area (attitude/action) that Christ is not in control of in your life. Ex. dating life, finances, school, goals, thought life, personal purity.
3. **Confess** to God that you have been in control of your life in these areas.
4. **Commit** these areas to Christ.

### V. How to keep Christ Lord?

#### Attack Problem Areas

1. Make a list of all areas you have difficulty allowing Christ to control.
2. Pick a specific area that you have a particularly difficult time submitting to Christ.
3. Develop a (specific) plan to combat that area.
4. Get someone to hold you accountable to your plan.

Suggested memory verse: Luke 6:46
